1441 South Ninth Street, Philadelphia, Pa., May 6, 1899.

Dear Sir-I write to inform you that I had a bad attack of la grippe last Decomber which lasted more than three months, and which left me with catarrh, and several of my friends advised me to try your wonderful medicine, Peruna. I began with a bottle the first week in March and it certainly did me a great deal of good. I was so well satisfied that I purchased another bottle and followed your directions, which you furnish with every bottle, and I am glad to say that it has cured me. I shall certainly recommend the Peruna to all my friends, Yours, very truly, Henry Distin.
